Section 5. Loan Agreement and Intercept Agreement - Authorization and Detail.

A. Authorization. This Ordinance has been adopted by the affirmative vote of a majority of all of the members of the Governing Body. For the purpose of protecting the public health, conserving the property, protecting the general welfare and prosperity of the residents of the Governmental Unit and completing the Project, it is hereby declared necessary that the Governmental Unit, pursuant to the Act, execute and deliver the Loan Agreement and Intercept Agreement evidencing a special, limited obligation of the Governmental Unit to pay a principal amount not to exceed \$2,146,263, plus interest, and the execution and delivery of the Loan Agreement and the Intercept Agreement are hereby authorized. The Governmental Unit shall use the proceeds of the Loan to (i) finance the Project, (ii) fund the Finance Authority Loan Agreement Reserve Account, (iii) make a deposit to the Finance Authority Debt Service Account, and (iv) pay the Processing Fee and Expenses.

B. Detail. The Loan Agreement and Intercept Agreement shall be in substantially the forms of the Loan Agreement and Intercept Agreement presented at the meeting of the Governing Body at which this Ordinance was adopted. The Loan shall be in an aggregate principal amount not to exceed \$2,146,263, shall be payable in installments of principal due on May 1 of the years designated in Exhibit "B" to the Loan Agreement and bear interest payable on May 1 and November 1 of each year, commencing on November 1, 2013 at the rates designated in Exhibit "B" to the Loan Agreement.

The Loan Agreement, together with interest thereon and other obligations of the Governmental Unit thereunder, shall be a special, limited obligation of the Governmental Unit, payable solely from the Pledged Revenues as provided in this Ordinance and the Loan Agreement and shall not constitute a general obligation of the Governmental Unit or the State, and the holders of the Loan Agreement may not look to any general or other fund of the Governmental Unit for payment of the obligations thereunder. Nothing contained in this Ordinance or in the Loan Agreement, or any other instruments, shall be construed as obligating the Governmental Unit (except with respect to the application of the Pledged Revenues), as incurring a pecuniary liability or a charge upon the general credit of the Governmental Unit or against its taxing power, nor shall a breach of any agreement contained in this Ordinance, the Loan Agreement, or any other instrument impose any pecuniary liability upon the Governmental Unit or any charge upon its general credit or against its taxing power. The Loan Agreement shall never constitute an indebtedness of the Governmental Unit within the meaning of any State constitutional provision or statutory limitation and shall never constitute or give rise to a pecuniary liability of the Governmental Unit or a charge against its general credit or taxing power. Nothing herein shall prevent the Governmental Unit from applying other funds of the Governmental Unit legally available therefor to payments required by the Loan Agreement, in its sole and absolute discretion.

Section 8. Disposition of Proceeds: Completion of the Project.

Until the Completion Date, the money in the Program Account shall be used and paid out solely for the Project in compliance with applicable law and the provisions of the Loan Agreement and the Indenture.

The Governmental Unit will complete the Project with all due diligence.

B. Completion of the Project. No payment shall be made into the Finance Authority Debt Service Account if the amount in the Finance Authority Debt Service Account and Finance Authority Loan Agreement Reserve Account total a sum at least equal to the entire aggregate amount to become due as to principal and interest, on, and any other amounts due under, the Loan Agreement in which case moneys in such account in an amount at least equal to such principal and interest requirements shall be used solely to pay such obligations as the same become due, and any moneys in excess thereof in such accounts shall be transferred to the Governmental Unit and used as provided below.

C. Use of Surplus Revenues. After making all the payments hereinabove required to be made by this Section, any moneys remaining in the Finance Authority Debt Service Account shall be transferred to the Governmental Unit on a timely basis and shall be applied to any other lawful purpose, including, but not limited to, the payment of any Parity Obligations or bonds or obligations subordinate and junior to the Loan Agreement, or other purposes authorized by the Governmental Unit, the Constitution and laws of the State, as the Governmental Unit may from time to time determine.

Section 10. Lien on Pledged Revenues. Pursuant to the Loan Agreement, the Pledged Revenues are hereby authorized to be pledged to, and are hereby pledged, and the Governmental Unit grants a security interest therein for, the payment of the principal, interest, and any other amounts due under the Loan Agreement subject to the uses thereof permitted by and the priorities set forth in this Ordinance. The Loan Agreement constitutes an irrevocable and first lien, but not necessarily an exclusive first lien, on the Pledged Revenues with the lien thereon of the Parity Obligations as set forth herein and in the Loan Agreement. The Governmental Unit shall not create a lien on the Pledged Revenues superior to that of the Loan Agreement.

Section 11. Authorized Officers. Section 12. Amendment of Ordinance. Prior to the date of the initial delivery of the Loan Agreement to Finance Authority, the provisions of this Ordinance may be supplemented or amended by ordinance or resolution of the Governing Body with respect to any changes which are not inconsistent with the substantive provisions of this Ordinance. This Ordinance may be amended by ordinance of the Governing Body without receipt by the Governmental Unit of any additional consideration, but only with the prior written consent of the Finance Authority.

Section 13. Ordinance Irrepealable. After the Loan Agreement and the Intercept Agreement have been executed and delivered, this Ordinance shall be and remain irrepealable until all obligations due under the Loan Agreement shall be fully paid, canceled and discharged, as provided therein.

Section 14. Severability Clause. If any section, paragraph, clause or provision of this Ordinance shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Ordinance.

Section 15. Repealer Clause. All bylaws, orders, resolutions and ordinances, or parts thereof, inconsistent herewith are hereby repealed to the extent only of such inconsistency. This repealer shall not be construed to revive any bylaw, order, resolution or ordinance, or part thereof, heretofore repealed.

NOW THEREFORE, the parties hereto agree:

Unless otherwise defined in this Intercept Agreement and except where the context by clear implication otherwise requires, capitalized terms used in this Intercept Agreement shall have for all purposes of this Intercept Agreement the meanings assigned thereto in the Loan Agreement and the Indenture, as defined in the Loan Agreement.

Section 1. Authorization to the Finance Authority. The Governmental Unit hereby recognizes that the Finance Authority has made a Loan to the Governmental Unit in the amount of \$2,146,263 to finance the financing of the Project. Pursuant to Section 5.2(a) of the Loan Agreement and this Intercept Agreement, the Governmental Unit shall directly make timely payment of all Loan Agreement Payments to the Finance Authority. In the event that the Governmental Unit fails to make timely payment of Loan Agreement Payments to the Finance Authority, the Governmental Unit agrees that all payments due on the Loan from the Gross Receipts Tax Revenues shall be paid by the Distributing State Agency to the Finance Authority or its designee, on behalf of the Governmental Unit, from scheduled distributions of the Gross Receipts Tax Revenues in accordance with the Intercept Schedule attached hereto as Exhibit "A" (the "Intercept Schedule").

This Intercept Agreement shall be deemed a written certification, authorization and request by the Governmental Unit to the Distributing State Agency, in the event that the Governmental Unit fails to make timely payment of Loan Agreement Payments from the Gross Receipts Tax Revenues as provided in Section 5.2(a) of the Loan Agreement, to pay to the Finance Authority, on behalf of the Governmental Unit, sums shown on the Intercept Schedule from monthly distributions of the Gross Receipts Tax Revenues pursuant to Sections 7-1-6.13 and 7-1-6.15 NMSA 1978, as amended, to insure compliance with the Loan Agreement and repayment of the Loan. Upon written notice to the Distributing State Agency from the Finance Authority, the amount of the Gross Receipts Tax Revenues to be paid to the Finance Authority shall be increased from the amounts shown on Exhibit "A" to defray any delinquencies in the Finance Authority Debt Service Account or the Loan Agreement Reserve Account established for the Governmental Unit. Any accumulation of the Gross Receipts Tax Revenues in an amount in excess of the next Loan Agreement Payment and the Loan Agreement Reserve Requirement shall be redirected by the Finance Authority to the benefit of the Governmental Unit on a timely basis as provided in Section 5.2 of the Loan Agreement.

To the extent that the Gross Receipts Tax Revenues are insufficient to meet the debt service requirements due on the Loan and other Parity Obligations (as defined in the Loan Agreement) now or hereafter issued or incurred, the amounts intercepted under this Intercept Agreement shall be applied to first allow payment of the debt service due and owing on the Loan Agreement and other Parity Obligations.

Section 2. Term; Amendments. This Intercept Agreement will remain in full force and effect from its effective date as herein provided until such time as the Loan made pursuant to the Loan Agreement and this Intercept Agreement have been paid in full. Nothing herein shall be deemed in any way to limit or restrict the Governmental Unit from issuing its own obligations, providing its own program or participating in any

other program for the financing of public projects which the Governmental Unit may choose to finance. This Intercept Agreement may be amended only by written instrument signed by the parties hereto.

Section 3. Authorization. The execution and performance of the terms of this Intercept Agreement have been authorized and approved by Ordinance No. 6-6-13.8A passed and adopted on June 6, 2013 (the "Ordinance") by the Governing Body of the Governmental Unit, which Ordinance is in full force and effect on the date hereof.

Section 4. Severability of Invalid Provisions. If any one or more of the provisions herein contained shall be held, by a final decision of a court of competent jurisdiction, or found contrary to any express provisions of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such provision shall be null and void and shall be deemed separable from the remaining provisions and shall in no way affect the validity of any of the other provisions hereof.

Section 5. Counterparts. This Intercept Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 6. Further Authorization. The Governmental Unit agrees that the Finance Authority shall do all things necessary or convenient to the implementation of the Program to facilitate the Loan to the Governmental Unit.

Section 7. Effective Date. This Intercept Agreement shall take effect on the Closing Date of the Loan.

Section 8. Initial Intercept Date. As indicated on the Intercept Schedule, the first distribution of the Gross Receipts Tax Revenues that is to be intercepted by the Distributing State Agency under the terms of this Intercept Agreement consists of Gross Receipts Tax Revenues due to the Governmental Unit distributed in October, 2013.

Section 9. Final Intercept Date. Once the Loan has been fully paid and satisfied, the Finance Authority shall provide written notice to the Distributing State Agency to discontinue the interception of the Governmental Unit's Gross Receipts Tax Revenues.

Nothing contained in this Loan Agreement, however, shall be construed as prohibiting the Governmental Unit in its sole and absolute discretion, from making such payments from any moneys which may be lawfully used, and which are legally available, for that purpose.

(f) Financing of Project. The Project will consist of refunding, refinancing, discharging and paying the Refunded Bonds and paying related professional fees. The Project will be completed so as to comply with all applicable ordinances, resolutions and regulations, if any, and any and all applicable laws relating to the financing of the Project and to the use of Pledged Revenues.

The remaining weighted average maturity of the 2003 Bonds is _____ years.

(j) Use of Project. During the Loan Agreement Term, the Refunded Bonds Projects will at all times be used for the purpose of benefiting the Governmental Unit as a whole.

Neither the execution and delivery of this Loan Agreement and the Intercept Agreement, nor the fulfillment of or compliance with the terms and conditions in this Loan Agreement and the Intercept Agreement, nor the consummation of the transactions contemplated herein and therein, conflicts with or results in a breach of terms, conditions or provisions of any restriction or any agreement or instrument to which the Governmental Unit is a party or by which the Governmental Unit is bound or any laws, ordinances, governmental rules or regulations or court or other governmental orders to which the Governmental Unit or its properties are subject, or constitutes a default under any of the foregoing.

(n) Irrevocable Enactments. While this Loan Agreement remains outstanding and unpaid, any ordinance, resolution or other enactment of the Governing Body applying the Pledged Revenues for the payment of this Loan Agreement, including the Tax Ordinance and the Ordinance, shall be irrevocable until this Loan Agreement has been paid in full as to both

principal and interest, and shall not be subject to amendment or modification in any manner which would in any way jeopardize the timely payment of Loan Agreement Payments.

Except for the Parity Obligations, if any, described on the Term Sheet, there are currently no outstanding bonds, notes or other obligations of the Governmental Unit which are payable from and secured by a parity lien on the Pledged Revenues. No additional indebtedness, bonds or notes of the Governmental Unit payable on a priority ahead of the indebtedness herein authorized out of the Pledged Revenues shall be created or incurred while this Loan Agreement remains outstanding.

Additional indebtedness, bonds or notes of the Governmental Unit may be issued with a parity lien, but not necessarily an exclusive parity lien, with the lien of the Parity Obligations on the Pledged Revenues as set forth in Section 5.5 below.

(p) No Litigation. To the knowledge of the Governmental Unit, no litigation or proceeding is pending or threatened against the Governmental Unit or any other person affecting the right of the Governmental Unit to execute or deliver this Loan Agreement or the Intercept Agreement or to comply with its obligations under this Loan Agreement or the Intercept Agreement. Neither the execution and delivery of this Loan Agreement or the Intercept Agreement by the Governmental Unit nor compliance by the Governmental Unit with the obligations under such agreements, requires the approval of any regulatory body, or any other entity, which approval has not been obtained or which is not reasonably expected to be obtained.

(q) No Event of Default. No event has occurred and no condition exists which, upon the execution and delivery of this Loan Agreement and the Intercept Agreement, would constitute an Event of Default on the part of the Governmental Unit under this Loan Agreement or the Intercept Agreement.

(r) Pledged Revenues Not Budgeted. The portion of the Pledged Revenues necessary to pay the Loan Agreement Payments, as and when due, are not needed or budgeted to pay current or anticipated operational or other expenses of the Governmental Unit.

(s) Expected Coverage Ratio. The Pledged Revenues (giving credit for any increase in Pledged Revenues which has received final approval of the Governing Body and become effective) from the Fiscal Year immediately preceding the Closing Date were equal to or exceeded, and, on an ongoing basis during each year of the Loan Agreement Term, are reasonably expected to equal or exceed, one hundred thirty percent (130%) of the maximum Aggregate Annual Debt Service Requirement.

(t) No Extension of Interest Payments. The Governmental Unit will not extend or be a party to the extension of the time for paying any interest on this Loan Agreement.

(u) Governmental Unit's Existence. The Governmental Unit will maintain its corporate identity and existence so long as this Loan Agreement is unpaid, unless another political subdivision by operation of law succeeds to the liabilities and rights of the Governmental Unit without adversely affecting to any substantial degree the privileges and rights of the Finance Authority.

(v) Continuing Disclosure. The Governmental Unit covenants that it shall provide continuing disclosure to the Finance Authority, as the Finance Authority may require, that shall include, but not be limited to: annual audits, operational data required to update information in any disclosure documents used to assign or securitize the Loan Agreement Payments by issuance of Bonds by the Finance Authority pursuant to the Indenture, and notification of any event deemed material by the Finance Authority.

(w) Environmental Services Gross Receipts Tax Revenue Covenants. The Governing Body has duly adopted the Tax ordinance imposing the one-eighth of one percent (.125%) of Environmental Services Gross Receipts Tax. The Tax Ordinance has not been repealed or superseded and is in full force and effect.

(x) Tax Covenants. The Governmental Unit covenants that it shall restrict the use of the proceeds of this Loan Agreement in such manner and to such extent, if any, as may be necessary so that this Loan Agreement will not constitute an arbitrage bond under Section 148 of the Code and that it shall pay any applicable rebate to the Internal Revenue Service. Authorized Officers are hereby authorized and directed to execute an Arbitrage and Tax Certificate as may be required by the Finance Authority and such additional certificates as shall be necessary to establish that this Loan Agreement is not an "arbitrage bond" within the meaning of Section 148 of the Code and the Treasury Regulations promulgated or proposed with respect thereto, including Treasury Regulation Sections 1.148-1 through 1.148-11, 1.149 and 1.150 as the same currently exist, or may from time to time hereafter be amended, supplemented or revised. The Governmental Unit covenants to comply with the provisions of any such Arbitrage and Tax Certificate and the provisions thereof will be incorporated herein by reference to the same extent as if set forth herein. The Governmental Unit covenants that no use will be made of the proceeds of this Loan Agreement, or any funds or accounts of the Governmental Unit which may be deemed to be Gross Proceeds (as defined in Treasury Regulation Section 1.148-1(b)) of this Loan Agreement, which use, if it had been reasonably expected on the Closing Date, would have caused this Loan Agreement to be classified as an "arbitrage bond" within the meaning of Section 148 of the Code. Pursuant to this covenant, the Governmental Unit obligates itself to comply throughout the Loan Agreement Term with the requirements of Sections 103 and 141 through 150 of the Code and the regulations proposed or promulgated with respect thereto. The Governmental Unit further represents and covenants that no bonds or other evidence of indebtedness of the Governmental Unit payable from substantially the same source as this Loan Agreement have been or will be issued, sold or delivered within fifteen (15) days prior to or subsequent to the Closing Date.

(y) Use Charges. The Governmental Unit has established and will continue to charge reasonable rates for services rendered by the Governmental Unit for use of the System taking into account the cost and value of the System, Operation and Maintenance Expenses, proper allowances for depreciation, and the amounts necessary to make debt services payments from Net Revenues of the System. There shall be charged against users, rates and amounts which shall be increased from time to time, if necessary, and which shall produce Gross Revenues sufficient to pay the annual Operation and Maintenance Expenses and one hundred thirty percent (130%) of the Aggregate Annual Debt Service Requirement payable during the then current Fiscal Year.

(z) Efficient Operation. The Governmental Unit will operate the System so long as this Loan Agreement is outstanding, will maintain the System in efficient operating condition and make such improvements, extensions, enlargements, repairs and betterments to the System as may be necessary or advisable for its economical and efficient operation at all times and sufficient to supply reasonable public and private demands for System services within the Governmental Unit.

(aa) Records. So long as the Loan Agreement remains outstanding, proper books of record and account will be kept by the Governmental Unit, separate from all other records and accounts, showing complete and correct entries of all transactions relating to the System. Such books shall include, but not necessarily be limited to, monthly records showing: (i) the number of customers; (ii) the revenues separately received from charges by classes of customers, including but not necessarily limited to classification by solid waste facilities and refuse disposal facilities; and (iii) a detailed statement of the expenses of the System.

(bb) Right to Inspect. The Finance Authority and the Trustee shall have the right to inspect at all reasonable times all records, accounts and data relating to the System and to inspect the System and all properties comprising the System.

(cc) Audits. The Governmental Unit further agrees that, except where the State Auditor of the State performs the audit or where the due date for the audit has been postponed as may otherwise be required by the State Auditor or any other State office or agency with appropriate authority, it will, within one hundred eighty (180) days following the close of each Fiscal Year, the Governmental Unit will cause an audit of the books and accounts of the System to be made by an Independent Accountant. Each audit of the System shall include those matters determined to be proper by the Independent Accountant. Each audit will be available for inspection by the Finance Authority. The Governmental Unit will provide the Finance Authority with a copy of each audit promptly upon the request of the Finance Authority. All expenses incurred in the making of the audits and reports required by this Section shall be regarded and paid as an Operation and Maintenance Expense.

(dd) Billing Procedure. Bills for services furnished by or through the System, shall be rendered to customers on a regular basis each month following the month in which the service was rendered and shall be due as required by the applicable ordinance of the Governmental Unit. If permitted by law, if a bill is not paid within the period of time required by such ordinance, System services shall be discontinued as required by such ordinance, and the rates and charges due shall be collected in a lawful manner, including, but not limited to, the cost of disconnection and reconnection. System services may be billed jointly with each other, provided that each such joint bill shall show separately the types of System charges.

(ee) Charges and Liens Upon System. The Governmental Unit will pay when due from Gross Revenues or other legally available funds all taxes and assessments or other municipal or governmental charges, lawfully levied or assessed upon the System and will observe and comply with all valid requirements of any municipal or governmental authority relating to the System. The Governmental Unit will not create or permit any lien or charge upon the System or the Gross Revenues except as provided in this Loan Agreement, or it will make

adequate provisions to satisfy and discharge within sixty (60) days after the same accrue, all lawful claims and demands for labor, materials, supplies or other objects, which, if unpaid, might by law become a lien upon the System or the Gross Revenues. However, the Governmental Unit shall not be required to pay or cause to be discharged, or make provision for any tax assessment, lien or charge before the time when payment becomes due or so long as the validity thereof is contested in good faith by appropriate legal proceedings and there is no adverse effect on the Finance Authority or the Trustee.

(ff) Insurance. The Governmental Unit will procure and maintain or cause to be procured and maintained commercial insurance or provide Qualified Self Insurance with respect to the facilities constituting the System and public liability insurance in the form of commercial insurance or Qualified Self Insurance in such amounts and against such risks as are, in the judgment of the Governing Body, prudent and reasonable taking into account, but not being controlled by, the amounts and types of insurance or self insured programs provided by municipalities which operate solid waste and refuse removal and disposal systems. "Qualified Self Insurance" means insurance maintained through a program of self insurance or insurance maintained with a fund, company or association in which the Governmental Unit may have a material interest and of which the Governmental Unit may have control, either singly or with others. Each plan of Qualified Self Insurance shall be established in accordance with law, shall provide that reserves be established or insurance acquired in amounts adequate to provide coverage which the Governmental Unit determines to be reasonable to protect against risks assumed under the Qualified Self Insurance plan, including any potential retained liability in the event of the termination of such plan of Qualified Self Insurance. In the event of property loss or damage to the System, insurance proceeds shall be used first for the purpose of restoring or replacing the property lost or damaged and thereafter, any remainder may be used to redeem Parity Obligations or be treated as Gross Revenues.

(gg) Alienating System. The Governmental Unit will not sell, lease, mortgage, pledge, or otherwise encumber, or in any manner dispose of, or otherwise alienate, the System, or any part thereof, including any and all extensions and additions that may be made thereto, until this Loan Agreement shall have been paid in full, including the Principal Component and the Interest Component, except that the Governmental Unit may sell any portion of said property which shall have been replaced by other property of at least equal value, or which shall cease to be necessary for the efficient operation of the System, but in no manner nor to such extent as might prejudice the security for the payment of this Loan Agreement, provided, however, that in the event of any sale as aforesaid, the proceeds of such sale shall be distributed as Net Revenues of the System as provided herein.

(hh) Competent Management. The Governmental Unit shall employ or contract for experienced and competent personnel to manage the System.

(ii) Performing Duties. The Governmental Unit will faithfully and punctually perform all duties with respect to the System required by the Constitution and the laws of the State and the ordinances and resolutions of the Governmental Unit, relating to the System and this Loan Agreement, including, but not limited to, making and collecting reasonable and sufficient rates and charges for services rendered or furnished by the System as hereinabove provided.

(jj) Other Liens. Other than as provided in the Term Sheet, there are no liens or encumbrances of any nature, whatsoever, on or against the System or the revenues derived or to be derived from the operation of the same.

Section 2.2 Representations, Covenants and Warranties of the Finance Authority. The Finance Authority represents, covenants and warrants for the benefit of the Governmental Unit as follows:

(a) Authorization of Loan Agreement and Intercept Agreement. The Finance Authority is a public body politic and corporate constituting a governmental instrumentality, separate and apart from the State, duly organized, existing and in good standing under the laws of the State, has all necessary power and authority to enter into and perform and observe the covenants and agreements on its part contained in this Loan Agreement and the Intercept Agreement and, by proper action, has duly authorized the execution and delivery of this Loan Agreement and the Intercept Agreement, based upon the Finance Authority's findings that the Project is important to the overall capital needs of the State and directly enhances the health and safety of the residents of the Governmental Unit.

(b) Assignment of Rights. The Finance Authority will not pledge or assign the Pledged Revenues, the Loan Agreement Payments or any of its other rights under this Loan Agreement and the Intercept Agreement except to the Trustee pursuant to the Indenture.

(c) No Breach or Default Caused by Loan Agreement or Intercept Agreement. Neither the execution and delivery of this Loan Agreement or the Intercept Agreement, nor the fulfillment of or compliance with the terms and conditions of this Loan Agreement or the Intercept Agreement, nor the consummation of the transactions contemplated in this Loan Agreement or the Intercept Agreement, conflicts with or results in a breach of the terms, conditions and provisions of any restriction or any agreement or instrument to which the Finance Authority is a party or by which the Finance Authority is bound or constitutes a default under any of the foregoing and will not conflict with or constitute a violation of any constitutional or statutory provision or order, rule, regulation, decree or resolution of any court, government or governmental authority having jurisdiction over the Finance Authority or its property, and which conflict or violation will have a material adverse effect on the Finance Authority or the financing of the Project.

(d) No Litigation. To the knowledge of the Finance Authority, there is no litigation or proceeding pending or threatened against the Finance Authority or any other person affecting the right of the Finance Authority to execute or deliver this Loan Agreement or the Intercept Agreement, or to comply with its obligations under this Loan Agreement or the Intercept Agreement. Neither the execution and delivery of this Loan Agreement or the Intercept Agreement by the Finance Authority, nor compliance by the Finance Authority with its obligations under this Loan Agreement and the Intercept Agreement, requires the approval of any regulatory body, or any other entity, which approval has not been obtained.

(e) Legal, Valid and Binding Obligations. This Loan Agreement and the Intercept Agreement constitute the legal, valid and binding obligations of the Finance Authority enforceable in accordance with their terms.

(f) Tax-Exempt Reimbursement of Amount Loaned. The Finance Authority intends to reimburse the public project revolving fund (as defined in the Finance Authority Act) for the amount of the Loan from the proceeds of tax-exempt bonds which the Finance Authority expects to issue within eighteen (18) months of the Closing Date.

(g) Finance Authority Compliance with Policies. As related to this Loan Agreement, the Finance Authority has complied with all policies and procedures as adopted and approved by the Finance Authority Board of Directors or such policies have been waived by the Finance Authority Board of Directors.

(h) Compliance with Securities Laws. The Finance Authority acknowledges that no offering document or prospectus has been prepared by the Governmental Unit with respect to this Loan Agreement. The Finance Authority is a sophisticated accredited investor regularly making loans and purchasing securities similar to this Loan Agreement and has been provided with and has reviewed such information as it deems relevant in making its decision to make the Loan to the Governmental Unit. Other than the pledge to the Trustee described above, the Finance Authority will not sell, pledge, transfer, convey, hypothecate, mortgage or dispose of the Loan Agreement, or any portion thereof, except to persons who have been provided sufficient information with which to make an informed investment decision regarding the Loan Agreement and in compliance with the Securities Act of 1933, as amended, the regulations promulgated thereunder and applicable state securities laws and regulations.

ARTICLE III LOAN AGREEMENT TERM

The Loan Agreement Term shall commence on the Closing Date and shall not terminate until this Loan Agreement has been paid in full or provision for the payment of this Loan Agreement has been made pursuant to Article VIII hereof.

ARTICLE IV LOAN; APPLICATION OF MONEYS

On the Closing Date, the Finance Authority and the Governmental Unit shall transfer the Loan Agreement Principal Amount and other funds available from the debt service and debt service reserve accounts for the Refunded Bonds as follows:

(a) To the Trustee, the amount shown on the Term Sheet as the Program Account deposit shall be deposited into the Governmental Unit's Program Account to be maintained by the Trustee pursuant to the Indenture and disbursed pursuant to Section 6.2 hereof at the direction of the Governmental Unit as needed by the Governmental Unit for the Project; and

(b) To the Trustee, the amount shown on the Term Sheet as the Loan Agreement Reserve Account deposit shall be deposited into the Governmental Unit's account maintained in the Loan Agreement Reserve Fund by the Trustee pursuant to the Indenture; and

(c) To the Finance Authority, the amount shown on the Term Sheet as the Finance Authority Debt Service Account deposit shall be deposited into the Finance Authority Debt Service Account to be maintained by the Finance Authority or its assignee and utilized as provided in Section 5.2 hereof; and

(d) To the Finance Authority, payment in the amount shown on the Term Sheet as the Processing Fee.

ARTICLE V
LOAN TO THE GOVERNMENTAL UNIT;
PAYMENTS BY THE GOVERNMENTAL UNIT

Section 5.1 Loan to the Governmental Unit; Payment Obligations Limited to Pledged Revenues; Pledge of Pledged Revenues. The Finance Authority hereby lends to the Governmental Unit and the Governmental Unit hereby borrows from the Finance Authority an amount equal to the Loan Agreement Principal Amount. The Governmental Unit promises to pay, but solely from the sources pledged herein, the Loan Agreement Payments as herein provided. The Governmental Unit does hereby convey, assign and pledge unto the Finance Authority and unto its successors in trust forever all right, title and interest of the Governmental Unit in and to: (i) the Pledged Revenues to the extent required to pay the Loan Agreement Payments on a parity with the Parity Obligations; (ii) the Finance Authority Debt Service Account, such account being held by the Finance Authority; (iii) the Program Account and the Loan Agreement Reserve Account such accounts being held by the Trustee; and (iv) all other rights hereinafter granted, for the securing of the Governmental Unit's obligations under this Loan Agreement, including payment of the Loan Agreement Payments and Additional Payment Obligations, if any; provided, however, that if the Governmental Unit, its successors or assigns, shall well and truly pay, or cause to be paid, all Loan Agreement Payments at the time and in the manner contemplated by this Loan Agreement, then, upon such final payment or provision for payment by the Governmental Unit, this Loan Agreement and the rights created thereby shall terminate; otherwise, this Loan Agreement shall remain in full force and effect. The Loan Agreement Payments shall, in the aggregate, be sufficient to pay the Principal Component and the Interest Component, when due, the payment schedule of which is attached hereto as Exhibit "B."

The pledge of the Pledged Revenues and the lien thereon shall be effective upon the Closing Date. The Governmental Unit and the Finance Authority acknowledge and agree that the Loan Agreement Payments of the Governmental Unit hereunder are limited to the Pledged Revenues, and that this Loan Agreement shall constitute a special, limited obligation of the Governmental Unit. No provision of this Loan Agreement shall be construed or interpreted as creating a general obligation or other indebtedness of the Governmental Unit within the meaning of any constitutional or statutory debt limitation. No provision of this Loan Agreement shall be construed to pledge or to create a lien on any class or source of Governmental Unit moneys other than the Pledged Revenues, nor shall any provision of this Loan Agreement restrict

the future issuance of any bonds or obligations payable from any class or source of Governmental Unit moneys other than the Pledged Revenues. In addition, to the extent not required for the payment of obligations of the Governmental Unit hereunder, the Pledged Revenues may be utilized by the Governmental Unit for any other purposes permitted by law.

Section 5.2 Payment Obligations of Governmental Unit. The Governmental Unit shall transfer to the Finance Authority from the Pledged Revenues either pursuant to the Intercept Agreement or directly from the Governmental Unit as provided by this Loan Agreement and the Intercept Agreement, the amounts provided in subsections (a)(i) and (ii) of this Section 5.2 for deposit into the Finance Authority Debt Service Account and the amount provided in subsection (c) for deposit into the Loan Agreement Reserve Account. The Finance Authority Debt Service Account shall be established and held by the Finance Authority and the Loan Agreement Reserve Account shall be established and held by the Trustee, each on behalf of the Governmental Unit. All Pledged Revenues received by the Finance Authority pursuant to this Section 5.2 shall be accounted for and maintained on an ongoing basis by the Finance Authority in the Finance Authority Debt Service Account and all Loan Agreement Payments shall be remitted to the Trustee. The amounts on deposit in the Finance Authority Debt Service Account and the Loan Agreement Reserve Account shall be expended and used by the Finance Authority or the Trustee, as the case may be, only in the manner and order of priority specified below.

(a) As a first charge and lien, but not an exclusive first charge and lien, on the Pledged Revenues (on a parity with the lien on the Pledged Revenues created by any outstanding Parity Obligations), the Governmental Unit shall remit to the Finance Authority, and the Finance Authority shall transfer and deposit into the Finance Authority Debt Service Account the following from the Pledged Revenues received from the Governmental Unit, either directly or pursuant to the Intercept Agreement, which the Finance Authority shall transfer to the Trustee in accordance with the Indenture:

(i) Interest Components. Annually, beginning on November 1, 2013, and continuing on each May 1 and November 1 thereafter so long as the Loan is outstanding, an amount equal to the Interest Component coming due on each Loan Agreement Payment Date, as described in Exhibit "B".

(ii) Principal Payments. Annually, beginning on May 1, 2013, and continuing on each November 1 and May 1 thereafter so long as the Loan is outstanding, an amount equal to the Principal Component coming due on each Loan Agreement Payment Date, as described in Exhibit "B".

The Governmental Unit shall transfer to the Finance Authority from the Pledged Revenues the amounts provided in subsections (i) and (ii) of this Section 5.2(a) on the Loan Agreement Payment Date, or the next succeeding Business Day (if the Loan Agreement Payment Date is not a Business Day), and the Finance Authority shall not intercept such amounts from the Environmental Services Gross Receipts Tax Revenues pursuant to the Intercept Agreement unless the Governmental Unit fails to timely transfer each such amount, in which event the Finance Authority shall intercept such amounts from the Environmental Services Gross Receipts Tax Revenues pursuant to the Intercept Agreement. Such amounts shall be intercepted in

approximately equal monthly payments when distributions are made by the Distributing State Agency in accordance with a schedule prepared by the Finance Authority at the commencement of interception of payments. The monthly intercepted installments will be amounts sufficient, when combined, to meet the payments described in subsections (a)(i) and (ii) above.

(b) Each Loan Agreement Payment shall be transferred by the Finance Authority from the Finance Authority Debt Service Account to the Trustee.

(c) As a second charge and lien on the Pledged Revenues received from the Governmental Unit after the deposits in (a) and (b) have been made, the Trustee shall transfer and deposit to the Loan Agreement Reserve Account any amounts necessary to fully replenish the Loan Agreement Reserve Account to the Loan Agreement Reserve Requirement. Moneys in the Loan Agreement Reserve Account shall be held and administered by the Trustee and shall be used only to prevent deficiencies in the payment of the Principal Component and Interest Component of the Loan Agreement Payments resulting from a failure to deposit into the Finance Authority Debt Service Account sufficient funds to pay debt service requirements on the Loan; provided, that the final two Interest Components and the final Principal Component on the Loan shall be payable, from the Loan Agreement Reserve Account. If funds are withdrawn from the Loan Agreement Reserve Account to pay debt service on the Loan, at the direction of the Finance Authority or the Trustee, the Governmental Unit shall pay to the Trustee additional Pledged Revenues which shall be deposited into the Loan Agreement Reserve Account in amounts in equal monthly installments sufficient to restore the amount on deposit therein to the Loan Agreement Reserve Requirement within one (1) year following such withdrawal; provided, that no additional Pledged Revenues shall be deposited to replenish the Loan Agreement Reserve Account following the transfer of the amount in the Loan Agreement Reserve Account to the Finance Authority Debt Service Account for payment of the final two Interest Components and the final Principal Component.

Notwithstanding any other provisions hereof, the Finance Authority shall have the right to waive the requirement of the Loan Agreement Reserve Account and the Loan Agreement Reserve Requirement, and any moneys in the Loan Agreement Reserve Account may, at the written direction of the Finance Authority, be applied to the Finance Authority Debt Service Account or released to the Governmental Unit for the Project or used for any other purposes provided by law. If amounts in the Loan Agreement Reserve Account are released by the Finance Authority, the references in this Loan Agreement to the Loan Agreement Reserve Account and the Loan Agreement Reserve Requirement shall be of no further force and effect.

(d) Subject to the foregoing deposits, the Finance Authority or the Trustee shall annually use the balance of the Pledged Revenues received, if any, at the request of the Governmental Unit: (i) to credit against upcoming Loan Agreement Payments; or (ii) to distribute to the Governmental Unit for any purpose permitted by law.

Section 5.3 Manner of Payment. All payments of the Governmental Unit hereunder shall be paid in lawful money of the United States of America to the Finance Authority at the address designated in Section 11.1 herein, for remittance to the Trustee. The obligation of the Governmental Unit to make payments hereunder, from and to the extent of the available Pledged Revenues, shall be absolute and unconditional in all events, except as expressly provided

hereunder, and payment hereunder shall not be abated through accident or unforeseen circumstances. Notwithstanding any dispute between the Governmental Unit, the Finance Authority, the Trustee, any vendor or any other person, the Governmental Unit shall make all deposits hereunder, from and to the extent of the available Pledged Revenues, when due and shall not withhold any deposit hereunder pending final resolution of such dispute, nor shall the Governmental Unit assert any right of set-off or counterclaim against its obligation to make such deposits required hereunder.

Section 5.4 Disposition of Payments by the Trustee. The Trustee shall deposit all moneys received from the Finance Authority under this Loan Agreement in accordance with the Indenture.

Section 5.5 Additional Parity Obligations. No provision of this Loan Agreement shall be construed in such a manner as to prevent the issuance by the Governmental Unit of additional Parity Obligations payable from the Pledged Revenues, nor to prevent the issuance of bonds or other obligations refunding all or a part of this Loan Agreement; provided, however, that before any such additional Parity Obligations are actually issued (excluding refunding bonds or refunding obligations which refund Parity Obligations but including parity refunding bonds and obligations which refund subordinate obligations as provided in Section 5.6 hereof), it must be determined that:

(a) The Governmental Unit is then current in all of the accumulations required to be made into the Finance Authority Debt Service Account and the Loan Agreement Reserve Account as provided herein.

(b) No default shall exist in connection with any of the covenants or requirements of the Ordinance or this Loan Agreement.

(c) The Pledged Revenues received by or credited to the Governmental Unit for the Fiscal Year or for any twelve (12) consecutive months out of the twenty-four (24) months preceding the date of the issuance of such additional Parity Obligations (the "Historic Test Period") shall have been sufficient to pay an amount representing one hundred thirty percent (130%) of the combined maximum Aggregate Annual Debt Service Requirement coming due in any subsequent Fiscal Year on the then outstanding Parity Obligations and the Parity Obligations proposed to be issued (excluding the accumulation of any reserves therefor).

(d) A written certification or opinion by the Governmental Unit's Treasurer or chief financial officer or by an Independent Accountant that the Pledged Revenues for the Historic Test Period are sufficient to pay said amounts, shall be conclusively presumed to be accurate in determining the right of the Governmental Unit to authorize, issue, sell and deliver the Parity Obligations proposed to be issued.

(e) No provision of this Loan Agreement shall be construed in such a manner as to prevent the issuance by the Governmental Unit of additional bonds or other obligations payable from the Pledged Revenues constituting a lien upon such Pledged Revenues subordinate and junior to the lien of this Loan Agreement nor to prevent the issuance of bonds or other obligations refunding all or part of this Loan Agreement as permitted by Section 5.6 hereof.

(f) The Governmental Unit shall not issue bonds or other obligations payable from the Pledged Revenues having a lien thereon prior and superior to this Loan Agreement.

Section 5.6 Refunding Obligations. The provisions of Section 5.5 hereof are subject to the following exceptions:

(a) If at any time after the Closing Date, while this Loan Agreement, or any part thereof, is outstanding, the Governmental Unit shall find it desirable to refund any outstanding bonds or other outstanding obligations payable from the Pledged Revenues, this Loan Agreement, such bonds or other obligations, or any part thereof, may be refunded (but the holders of this Loan Agreement or bonds to be refunded may not be compelled to surrender this Loan Agreement or their bonds, unless this Loan Agreement, the bonds or other obligations, at the time of their required surrender for payment, shall then mature, or shall then be callable for prior redemption at the Governmental Unit's option), regardless of whether the priority of the lien for the payment of the refunding obligations on the Pledged Revenues is changed, except as provided in subparagraph (e) of Section 5.5 hereof and in subparagraphs (b) and (c) of this Section.

(b) No refunding bonds or other refunding obligations payable from the Pledged Revenues shall be issued on a parity with this Loan Agreement unless:

(i) The outstanding obligations so refunded are Parity Obligations and the refunding bonds or other refunding obligations do not increase any aggregate annual principal and interest obligations evidenced by such refunded obligations; or

(ii) The refunding bonds or other refunding obligations are issued in compliance with Section 5.5 hereof.

(c) The refunding bonds or other obligations so issued shall enjoy complete equality of lien on the Pledged Revenues with the portion of this Loan Agreement or any bonds or other obligations of the same issue which is not refunded, if any; and the holder or holders of such refunding bonds or such other refunding obligations shall be subrogated to all of the rights and privileges enjoyed by the holder or holders of this Loan Agreement or the bonds or other obligations of the same issue refunded thereby. If only a part of this Loan Agreement or the outstanding bonds and any other outstanding obligations of any issue or issues payable from the Pledged Revenues is refunded, then such obligations may not be refunded without the consent of the holder or holders of the unrefunded portion of such obligations, unless:

(i) The refunding bonds or other refunding obligations do not increase any aggregate annual principal and interest obligations evidenced by such refunded obligations and by the outstanding obligations not refunded on and prior to the last maturity date of such unrefunded obligations; or

(ii) The refunding bonds or other refunding obligations are issued in compliance with Section 5.5 hereof; or

(iii) The lien on the Pledged Revenues for the payment of the refunding obligations is subordinate to each such lien for the payment of any obligations not refunded.

(d) Any refunding bonds or other refunding obligations payable from the Pledged Revenues shall be issued with such details as the Governmental Unit may provide by ordinance or resolution, but without any impairment of any contractual obligations imposed upon the Governmental Unit by any proceedings authorizing the issuance of any unrefunded portion of such outstanding obligations of any one or more issues (including, but not necessarily limited to, this Loan Agreement).

Section 5.7 Investment of Governmental Unit Funds. Money on deposit in the Finance Authority Debt Service Account established by the Finance Authority for the Governmental Unit shall be invested by the Finance Authority in Permitted Investments at the discretion of the Finance Authority. Money on deposit in the Program Account and Loan Agreement Reserve Account held by the Trustee and created hereunder shall be invested by the Trustee in Permitted Investments at the written direction of the Governmental Unit or, if not so directed, at the direction of the Finance Authority, or if not so directed by either the Governmental Unit or the Finance Authority, at the discretion of the Trustee. Any earnings on amounts in said Program Account shall be held and administered in the Program Account and used to finance the Project or otherwise utilized in the same manner as the other moneys on deposit therein. Any earnings on any of said Finance Authority Debt Service Account or Loan Agreement Reserve Account shall be held and administered in each respective account and utilized in the same manner as the other moneys on deposit therein and as provided in the Indenture to be applied for the credit of the Governmental Unit to the next loan payment coming due under this Loan Agreement.

Section 5.8 Governmental Unit May Budget for Payments. The Governmental Unit may, in its sole discretion, but without obligation and subject to the Constitution of the State, governing laws, and its budgetary requirements, make available properly budgeted and legally available funds to defray any insufficiency of Pledged Revenues to pay Loan Agreement Payments; provided, however, the Governmental Unit has not covenanted and cannot covenant to make such funds available and has not pledged any of such funds for such purpose.

ARTICLE VI THE PROJECT

Section 6.1 Agreement To Finance the Project. The Governmental Unit hereby agrees that to effectuate the purposes of this Loan Agreement and to effectuate the financing of the Project, it shall make, execute, acknowledge and transmit any contracts, orders, receipts, writings and instructions with any other persons, firms or corporations and, in general, do all things which may be requisite or proper to finance the Project. The Governmental Unit agrees to finance the Project through the application of moneys to be disbursed from the Program Account pursuant to Section 6.2 of this Loan Agreement.

Section 6.2 Disbursements From the Program Account. So long as no Event of Default shall occur, the Trustee shall disburse moneys from the Program Account in accordance with Section 6.2 of the Indenture upon receipt by the Trustee of a requisition substantially in the

form of Exhibit "C" attached hereto signed by an Authorized Officer of the Governmental Unit. The Governmental Unit may request disbursement of all moneys from the Program Account on the Closing Date, subject to the covenants contained in Section 2.1 of this Loan Agreement.

No disbursement shall be made from the Program Account without the approval of Bond Counsel: (i) to reimburse the Governmental Unit's own funds for expenditures made prior to the Closing Date; (ii) to refund or advance refund any tax-exempt obligations issued by or on behalf of the Governmental Unit other than the Refunded Bonds; or (iii) to be used, directly or indirectly, to finance a project used or to be used in the trade or business of a person who is not a "governmental unit," within the meaning of Section 141(b)(6) of the Code.

Section 6.3 Completion of Financing of the Project. Upon completion of the financing of the Project, an Authorized Officer of the Governmental Unit shall deliver a certificate to the Finance Authority and the Trustee stating that, to his or her knowledge, the Project financing has been completed and accepted by the Governmental Unit, and all costs have been paid. Notwithstanding the foregoing, such certificate shall state that it is given without prejudice to any rights against third parties which exist at the date of such certificate or which may subsequently come into being.

Section 6.4 Application of Loan Agreement Proceeds Subsequent to Completion of the Project. Upon completion of the financing of the Project as signified by the delivery of the completion certificate contemplated in Section 6.3 hereof or in the event that the Finance Authority and the Trustee shall not have received a certificate of completion as required by Section 6.3 hereof by the date three (3) years from the Closing Date (or such later date as is approved in writing by Bond Counsel), the Trustee shall transfer the amounts remaining in the Program Account (except amounts necessary for payment of amounts not then due and payable) to the Finance Authority Debt Service Account and such amounts shall be used for the payment of Loan Agreement Payments.

ARTICLE VII COMPLIANCE WITH LAWS AND RULES; OTHER COVENANTS

Section 7.1 Further Assurances and Corrective Instruments. The Finance Authority and the Governmental Unit agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required for correcting any inadequate or incorrect description of the Project or of the Pledged Revenues, or for otherwise carrying out the intention hereof.

Section 7.2 Finance Authority and Governmental Unit Representatives. Whenever under the provisions hereof the approval of the Finance Authority or the Governmental Unit is required, or the Governmental Unit or the Finance Authority is required to take some action at the request of the other, such approval or such request shall be given for the Finance Authority or for the Governmental Unit by an Authorized Officer of the Finance Authority or the Governmental Unit, as the case may be, and any party hereto shall be authorized to act on any such approval or request.

Section 7.3 Requirements of Law. During the Loan Agreement Term, the Governmental Unit and the Finance Authority shall observe and comply promptly with all current and future orders of all courts having jurisdiction over the parties hereto to the extent such orders relate to or govern the Project or the Pledged Revenues.

Section 7.4 First Lien; Equality of Liens. The Loan Agreement Payments constitute an irrevocable first lien (but not necessarily an exclusive first lien) upon the Pledged Revenues. The Governmental Unit covenants that the Loan Agreement Payments and any Parity Obligations herein authorized to be issued and from time to time outstanding shall be equitably and ratably secured by a first lien on the Pledged Revenues and shall not be entitled to any priority one over the other in the application of the Pledged Revenues regardless of the time or times of the issuance of such obligations, it being the intention of the Governmental Unit that there shall be no priority between the Loan Agreement Payments and any such Parity Obligations regardless of the fact that they may be actually issued and delivered at different times.

Section 7.5 Expeditious Completion. The Governmental Unit shall complete the Project with all practical dispatch.

ARTICLE VIII PREPAYMENT OF LOAN AGREEMENT PAYMENTS

Section 8.1 No Prepayment. There is no option to prepay this Loan Agreement in whole or in part.

Section 8.2. Defeasance. Should the Governmental Unit pay or make provision for payment of the Loan such that all amounts due pursuant to this Loan Agreement shall be deemed to have been paid and defeased, then the Loan Agreement Payments hereunder shall also be deemed to have been paid, the Governmental Unit's payment obligations hereunder shall be terminated, this Loan Agreement and all obligations contained herein shall be discharged and the pledge hereof released. Such payment shall be deemed made when the Governmental Unit has deposited with an escrow agent, in trust, (i) moneys sufficient to make such payment, and/or (ii) noncallable Government Obligations maturing as to principal and interest in such amount and at such times as will ensure the availability of sufficient moneys to make such payment and when all necessary and proper expenses of the Finance Authority have been paid or provided for. In the event the Governmental Unit makes provisions for defeasance of this Loan Agreement, the Governmental Unit shall cause to be delivered (1) a report of an independent nationally recognized certified public accountant verifying the sufficiency of the escrow established to pay this Loan Agreement in full when due or upon an irrevocably designated prepayment date, and (2) an opinion of Bond Counsel to the effect that this Loan Agreement is no longer outstanding, each of which shall be addressed and delivered to the Finance Authority. Government Obligations within the meaning of this Section 8.2, unless otherwise approved by the Finance Authority, shall include only (1) cash, (2) U.S. Treasury Certificates, Notes and Bonds (including State and Local Government Series – "SLGs"), and (3) obligations the principal of and interest on which are unconditionally guaranteed by the United States of America.

ARTICLE IX INDEMNIFICATION

From and to the extent of the Pledged Revenues, to the extent permitted by law, the Governmental Unit shall and hereby agrees to indemnify and save the Finance Authority and the Trustee harmless against and from all claims, by or on behalf of any person, firm, corporation or other legal entity arising from the financing of the Project during the Loan Agreement Term, from: (i) any act of negligence or other misconduct of the Governmental Unit or breach of any covenant or warranty by the Governmental Unit hereunder; and (ii) the incurrence of any cost or expense in connection with the financing of the Project in excess of the Loan Agreement proceeds and interest on the investment thereof. The Governmental Unit shall indemnify and save the Finance Authority and the Trustee harmless, from and to the extent of the available Pledged Revenues, from any such claim arising as aforesaid from (i) or (ii) above, or in connection with any action or proceeding brought thereon and, upon notice from the Finance Authority or the Trustee, shall defend the Finance Authority or the Trustee, as applicable, in any such action or proceeding.

ARTICLE X EVENTS OF DEFAULT AND REMEDIES

Section 10.1 Events of Default Defined. Any one of the following shall be an "Event of Default" under this Loan Agreement:

(a) Failure by the Governmental Unit to pay any amount required to be paid under this Loan Agreement on the date on which it is due and payable;

(b) Failure by the Governmental Unit to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Loan Agreement, other than as referred to in paragraph (a), for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied is given to the Governmental Unit by the Finance Authority or the Trustee unless the Finance Authority and the Trustee shall agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice can be wholly cured within a period of time not materially detrimental to the rights of the Finance Authority or the Trustee but cannot be cured within the applicable thirty (30) day period, the Finance Authority and the Trustee will not unreasonably withhold their consent to an extension of such time if corrective action is instituted by the Governmental Unit within the applicable period and diligently pursued until the failure is corrected; and provided, further, that if by reason of force majeure the Governmental Unit is unable to carry out the agreements on its part herein contained, the Governmental Unit shall not be deemed in default under this paragraph (b) during the continuance of such inability (but force majeure shall not excuse any other Event of Default);

(c) Any warranty, representation or other statement by or on behalf of the Governmental Unit contained in this Loan Agreement or in any instrument furnished in compliance with or in reference to this Loan Agreement is false or misleading in any material respect;

(d) A petition is filed against the Governmental Unit under any bankruptcy, moratorium, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, and is not dismissed within thirty (30) days after such filing, but the Finance Authority and the Trustee shall have the right to intervene in the proceedings prior to the expiration of such thirty (30) days to protect their interests;

(e) The Governmental Unit files a petition in voluntary bankruptcy or seeking relief under any provision of any bankruptcy, moratorium, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, or consents to the filing of any petition against it under any such law; or

(f) The Governmental Unit admits insolvency or bankruptcy or its inability to pay its debts as they become due or is generally not paying its debts as such debts become due, or becomes insolvent or bankrupt or makes an assignment for the benefit of creditors, or a custodian (including, without limitation, a receiver, liquidator or trustee) of the Governmental Unit for any of its property is appointed by court order or takes possession thereof and such order remains in effect or such possession continues for more than thirty (30) days, but the Finance Authority and the Trustee shall have the right to intervene in the proceedings prior to the expiration of such thirty (30) days to protect their interests.

Section 10.2 Remedies on Default. Whenever any Event of Default has occurred and is continuing and subject to Section 10.3 hereof, the Finance Authority or the Trustee may take any or all of the following actions as may appear necessary or desirable to collect the payments then due and to become due or to enforce performance of any agreement of the Governmental Unit in this Loan Agreement or the Intercept Agreement:

(a) By mandamus or other action or proceeding or suit at law or in equity to enforce the rights of the Finance Authority and the Trustee under this Loan Agreement and the Intercept Agreement against the Governmental Unit, and compel the Governmental Unit to perform or carry out its duties under the law and the agreements and covenants required to be performed by it contained herein; or

(b) By suit in equity to enjoin any acts or things which are unlawful or violate the rights of the Finance Authority or the Trustee; or

(c) Intervene in judicial proceedings that affect this Loan Agreement or the Pledged Revenues; or

(d) Cause the Governmental Unit to account as if it were the trustee of an express trust for all of the Pledged Revenues; or

(e) Take whatever other action at law or in equity may appear necessary or desirable to collect amounts then due and thereafter to become due under this Loan Agreement or to enforce any other of its rights thereunder; or

(f) Apply any amounts in the Program Account toward satisfaction of any of the obligations of the Governmental Unit under this Loan Agreement.

Section 10.3 Limitations on Remedies. A judgment requiring a payment of money entered against the Governmental Unit may reach only the available Pledged Revenues.

Section 10.4 No Remedy Exclusive. Subject to Section 10.3 hereof, no remedy herein conferred upon or reserved to the Finance Authority or the Trustee is intended to be exclusive, and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder as now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Finance Authority or the Trustee to exercise any remedy reserved in this Article X, it shall not be necessary to give any notice, other than such notice as may be required in this Article X.

Section 10.5 Waivers of Events of Default. The Finance Authority or the Trustee may in its discretion waive or rescind, by written waiver or rescission, any Event of Default hereunder and the consequences of such an Event of Default provided, however, that there shall not be waived or rescinded: (i) any Event of Default in the payment of the principal of this Loan Agreement at the date when due as specified herein; or (ii) any default in the payment when due of the interest on this Loan Agreement, unless prior to such waiver or rescission, all arrears of principal and interest, with interest at the rate borne by this Loan Agreement on all arrears of payments of principal and interest and all expenses of the Finance Authority or the Trustee, in connection with such Event of Default shall have been paid or provided for, and in case of any such waiver or rescission, or in case any proceeding taken by the Finance Authority or the Trustee on account of any such Event of Default shall have been discontinued or abandoned or determined adversely, then and in every such case, the Finance Authority and the Trustee shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other Event of Default, or impair any right consequent thereon.

Section 10.6 No Additional Waiver Implied by One Waiver. In the event that any agreement contained herein should be breached by either party and thereafter waived by the other party, such waiver shall be in writing and limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 10.7 Agreement to Pay Attorneys' Fees and Expenses. In the event that the Governmental Unit shall default under any of the provisions hereof and the Finance Authority or the Trustee shall employ attorneys or incur other expenses for the collection of payments hereunder, or the enforcement of performance or observance of any obligation or agreement on the part of the Governmental Unit herein contained, the Governmental Unit agrees that it shall on demand therefor pay to the Finance Authority or the Trustee, as applicable, the fees of such attorneys and such other expenses so incurred, to the extent that such attorneys' fees and expenses may be determined to be reasonable by a court of competent jurisdiction; provided, however, that the obligation of the Governmental Unit under this Section shall be limited to expenditures from and to the extent of the available Pledged Revenues.
